*Dear Tim*

We would like to record our deep appreciation for the efforts you and your colleagues made to ensure the visit of The Prince of Wales and Duchess of Cornwall to the Hairy Maclary Show was such a great success. We should be grateful if you would convey our thanks to everyone involved in the show for all their hard work.

Their Royal Highnesses clearly enjoyed the experience, which was underpinned by your professional approach and keen attention to the important details. We hope that it also provided Tim Bray Productions some well earned time in the national spotlight. Indeed, the event contributed to what is widely regarded as a very successful visit to New Zealand. It was an achievement of which you can be justly proud.

We hope that your team also found the event to be a rewarding experience. For our part, the Diamond Jubilee Visit team has greatly enjoyed working with you and, before we disband, would like to wish you all every success in your future endeavours.

*Best wishes for the festive season,*
